---

**DESCRIPTION**

---

**Machine Glasswash Liquid** is a clear blue liquid with a slight odour. Machine Glasswash Liquid is a premium quality product that can be used for utensil and glass washing machines and is highly effective in eliminating soils and stains such as beer, wine, spirits and lipstick from glassware. This product is suitable for all water conditions, simple and safe to use.

**Machine Glasswash Liquid** has an advanced formula that eliminates the possibility of scale formation within the washing machine ensuring an excellent performance. This product is designed for manual glass soaking and automatic glass washing.

---

**DIRECTIONS FOR USE**

---

Machine Glass Washing: 1 part to 3 parts of water.

Manual Glass Washing: 60 -80 ml to 5 Litres hot water. Rinse in clean hot water and air dry.

Stain Removal: 300ml to 5 Litres hot water. Soak until stains and deposits are removed.
