

Product Name **STAINLESS STEEL CLEANER**

Code No 415

ENVIRONMENTAL ASPECTS

- Low Phosphate
- Biodegradable surfactants
- Safe for food processing areas & septic tanks when used according to dilution instructions

BENEFITS

- Cleans & protects stainless steel
- Cleans metal surfaces
- Attacks rust, soils & grease
- Cleans cookware

DESCRIPTION

Stainless Steel Cleaner is a blue thin liquid with a characteristic alcohol odour. It is specially formulated to clean and protect stainless steel and other metal surfaces. Stainless Steel Cleaner effectively cleans finger printing and water marks.

Stainless Steel Cleaner is ideal for use in the cleaning and protection of stainless steel bench tops, fridges, ovens, splashbacks, escalators, elevators and public telephones. It attacks rust, soils, grease attached to the surface of most metals and is suitable for domestic and commercial use.

DIRECTIONS FOR USE

1. Use this product undiluted
2. Spray solution onto dirty and dry surfaces
3. Rub in with a dry soft cloth for a sparkling finish

Caution: Use with care on paint work and old surfaces. Wipe off immediately.

PACKAGING AVAILABILITY

This product is available in 20 L, 15 L, 5 L.
